Southeast Louisiana

Dear Friends,

As an honored Patron, your contribution will provide essential support to meet the needs of local children and their families. Your contribution as a patron will provide early learning opportunities for children of low- income working families, that want and need to break the poverty cycle and contribute to improving our quality of life in East St. Tammany Parish.

Your tax- deductible contribution as a Patron provides you with significant publicity and acknowledgment at the event. It also grants you early access to the event at 10:30a.m. Best of all, your support gives something lasting to the community that will continue to help underprivileged children and their families.

Please consider becoming a Patron of the 12th Annual **Bubbly on the Bayou**. Enclosed is our Patron Sponsor Level Form. Please help us help our children! We extend our heartfelt thanks to all who have supported Rainbow Child Care in the past. Your support makes all the difference.

Making a Difference, One Child at a Time.

Sincerely,

Dionne C. Graham
Executive Director
